

December, 2020

*The harvest is plenty, but the laborers are few.*

Dear Friend of Pax Christi Metro New York,

**Thank you!** Thank you for your generous support of Pax Christi Metro New York (PCMNY), whether you gave for the first time this past year or you've been giving for many years. You *are* Pax Christi Metro New York. This year has been exceptionally hard on many of us, because of the pandemic, but you can see from the attached annual report what we have been able to do with your help. **You are the laborers who help build a more peaceful world. But you know we are not enough.** The task is huge, so many are hard hit and those who are able need to answer the call to reap the harvest that is sown in peace.

With this in mind, this appeal letter asks **two things** of you. One is to **continue to help cultivate peace with justice through your on-going financial generosity to PCMNY**. The other is to: Please **introduce** at least one friend, family member, co-worker, neighbor, fellow parishioner, or other acquaintance to PCMNY.

- ❖ **Share this letter**, the enclosed **Annual Report** about our past year's activities, and the enclosed **"Save the Dates" flier** about some of our upcoming events as an example of who we are and what we do.
- ❖ **Bring them to one of our events, whether by Zoom or in person** (when we can).
- ❖ **Direct them to our e-mail Action Alert network, weekly Sunday scripture reflections (which Rosemarie continues to write, thank you!), our website, Facebook page, and Twitter account.**
- ❖ **Give them a gift membership, or encourage them to join** you in contributing to that more peaceful world for which we all long.

To make your own donation, and to assist your invitee to do the same, use any one of these methods: **Write a check, pay by credit card, or give cash**. Or, make a monthly or quarterly pledge with a donation made automatically on-line from your bank account, with a check issued automatically from your bank account to PCMNY's checking account, or with a credit card payment to PCMNY. If you choose a check, ***it is critical that you complete and return the response form with your donation for it to be processed correctly.*** (At times, donations are coming in for multiple reasons and it is impossible to know for what a check in an envelope is intended without the appropriate response form or a memo with your check. Rosemarie is no longer here. Thanks for understanding.)

Finally, please remember PCMNY is financially independent of PCUSA. Please give now. Again, ***THANK YOU!***

In Christ's peace,

Elda Luisi, Office Coordinator  
Pax Christi Metro New York
